## Daily Activities

Daily programming consists of a variety of indoor and outdoor recreation activities. Homework assistance is available on a daily basis. Teens at the center are involved in the programming and are encouraged to help design and implement the daily activities.

## Professional Staff

The center is staffed by City of Santee employees who are certified in first aid and CPR, have completed specialized teen-oriented training and have passed a Department of Justice background check. Our low staff-to-participant ratio offers a safe, well supervised experience and personal connection with each teen.

## After-school Transportation

Registration must be submitted by the 25th of the month prior to enrollment date and is accepted online, at the Santee City Hall or at the Santee Teen Center at the Big Rock Park.
